

Manufacturing Operations Analyst

Full Time Employment - Day & Night Shift (2 Candidates)

President Container Group, a leading independent manufacturer of Corrugated Packaging (Sheets, Boxes, Trays, Partitions, Display Units, etc.) is seeking two full time Manufacturing Operation Analysts. These openings are located in Middletown, NY.

We are looking for a recent graduate ready and eager to begin their career with a vast understanding of business analytics, information technology and a wide range of computing experience.

We would like our ideal candidate to be a quick thinker with the ability to learn and train while also being responsible for automation within our plant.

This is an entry-level position. We provide offsite job training, along with a great pay, PTO and benefits package.

Responsibilities:

Manage the systems interface between the various manufacturing processes – planning, converting, and shipping.

Follow Safety Guidelines and Procedures

Qualifications:

A.S. – Information Technology and/or B.S. – Business & Data Analytics (preferred)

Must be reliable

Ability to work in fast paced environment

Ability to work in teams and be a team player
